

Midterm Project CSIT 337

By: Jeremy Aupont

Contribution

- Each slide was made by me and took effort to make
 - Pages
 - Styling
 - Formatting
 - Response Pages

Things Used during the Project

- Hardware
 - Dell Laptop
- Software
 - HTML
 - CSS (Inline Style)
 - PHP

Features Implemented

- Bootstrap Hanburg Style Menu
- Submit & Clear buttons
- Comment Page
- Universal Links to different pages

Undone Features

- Comment Page is still under development and had trouble getting the response page back when you try to submit the data in the form.
- Footer is not properly spaced right but is still manageable to see.
